Miss Libbey's gown was of white point d'esprit, garlanded with tiny green leaves, and her flowers were white chrysanthemums, tied with satin ribbons of autumn green. The bridal gifts included an old Holland silver service blazoned with the date of 1780.

The tiny daughters of Mr. and Mrs. Fairfax Harrison, Constance and Ursula, with two other small relatives, were the bridesmaids who attended Miss Ellen Buchanan Cary, whose marriage to Frederick McCallan Burbank took place Wednesday noon at the home of the bride's parents in Baltimore.

The little maids wore white lace frocks and carried pink chrysanthemums. Mr. and Mrs. Fairfax Harrison and Mr. and Mrs. Frances Burton Harrison, of New York, were among the guests.

Miss Sedina Elizabeth Herbert and Thomas Francis McKeon, were married last night at Freund's, by the Rev. Dr.

Stafford, pastor of St. Patrick's Church, assisted by the Rev. Dr. Smith, of New York. There were no attendants, the bride entering the room with her father. The bride's gown was of white chiffon over white satin. A long tulle veil completed her toilette.

Mr. and Mrs. McKeon left the city on a late train for an extended Northern trip. Upon their return they will live at the home of the bride's parents, Mr. and Mrs. H. C. Herbert, 412 Ninth Street northwest. Mrs. McKeon's traveling gown was a blue tailor suit with hat to match.

The host and hostess received in the first parlor, the latter attired in silver gauze with necklace and tiara of Mexican silver and opals, both gifts from relatives in Mexico.

FORTY NEW MEMBERS TO ASSIST COMMITTEE

Ross Memorial Association Adopts Measures to Speedily Realize Required Subscriptions.

A meeting of the Ross Memorial Association was held at 8 o'clock yesterday in the office of the Chief Engineer of the Fire Department. The president of the association, Major Richard Sylvester, presided, and Chief Engineer R. W. Dutton was secretary.

The constitution and by-laws submitted at the last meeting, which have now been printed, were formally adopted. Including the memorial certificate to be given to each subscriber, constituting him a member of the association. This is a formal receipt of the subscription and contains in the center a portrait of the late Commissioner.

The treasurer, Collector E. G. Davis, reported that subscriptions to the amount of \$1,200 had been made, and about \$175 had been paid in.

The president was authorized to appoint a committee of five to consider the form of the memorial. Major Sylvester, R. W. Dutton, Warner Stutler and Miss Westcott, principal of one of the public schools, were named. The fifth member of the committee who had been declined to serve, and President

Sylvester stated that he would announce the new appointee within a few days. This committee will submit its report some time in the near future.

It was decided that all those present should put forth special efforts to facilitate the object of the association. Everyone so desiring will be given an opportunity to contribute within the next few weeks. Each of the heads of departments will take charge of the matter and, without direct solicitation of funds, will endeavor to have the subscription lists made up at the earliest possible moment.

With this end in view the president was authorized to appoint additional members of the general committee to the aggregate number of forty.

Those in charge of the project are encouraged at the showing made at yesterday's meeting.

PROF. IRELAND AGAIN ILL.

Prof. William B. Ireland, principal of the Tenleytown public school, is again confined to his bed, threatened with typhoid fever. Prof. Ireland had recently recovered from sickness.

QUIET DAY SERVICES OBSERVED YESTERDAY

Bishop Satterlee Meets Rectors of Parishes

Quiet Day services for communicants of the diocese of Washington at the Pro-Cathedral Church of the Ascension, corner Massachusetts Avenue and Twelfth Street northwest, were begun at 10 o'clock yesterday morning. The services were conducted by Bishop Satterlee. Rectors of the various parishes and a large number of communicants attended the various features of the observance.

Quiet Day is set apart as a time for reflection and retrospection, and the services are of a simple nature. The rule of silence on the part of the communicants is observed. The services closed with the evening prayer and address at 4:30. The music was by the choir of the Church of the Ascension.

Bishop Satterlee in his address spoke of the church as the continuation of the incarnation of Christ and of the corporate life of the church as portrayed in the Acts of the Apostles.

"The New Testament," he said, "proclaims only one standard of Christian life, the ideal set forth by Christ. The great development of the social instinct and of social life in modern times has given rise to the false idea that while the world is social, Christianity is individualistic."

SOON TO CHOOSE EMBLEM FOR ST. LOUIS EXPOSITION

Jury of Award, Made Up of Experts, Meets in New York November 17.

The competition for an emblem for the Louisiana Purchase Exposition, in which designers throughout the civilized world are participating, will be decided November 17. At 10 o'clock on that day the jury of award will meet in the jury rooms of W. S. Budworth & Son, 424 West Fifty-second Street, New York city, where the competitive designs have been accumulating since November 1.

The jury of award is made up of the following: Two painters—Frederick Diehlman, of New York, president of the National Academy of Design; John LaFarge, of New York, president of the Society of American Artists. Two sculptors—J. Q. A. Ward, of New York, president of the National Sculpture Society; Lorado Taft, of Chicago, president of the Society of Western Artists. Two architects—Charles F. McKim, of New York, president of the American Institute of Architects; Wilson Eyre, president of the Philadelphia chapter of the American Institute of Architects. One historian—Prof. Alice Fortier, of New Orleans, president of the Louisiana Historical Society.

Some time next December, after the jury has given its verdict, an exhibition of a selected number of the designs submitted will be held in New York, under the auspices of the National Arts Club.

TO RE-FORM BLANKS.

The labor board of the Civil Service Commission, which is composed of the chief clerks of the various executive departments, met yesterday to simplify the application blanks of unskilled laborers.

As they are now worded applicants are liable to misunderstand them. A subcommittee was appointed to prepare a new form and submit the same to a meeting of the committee of the whole.

CHOIRMASTER AT ST. ALBAN'S.

Spencer Webster, formerly choirmaster and organist of the Episcopal Church of St. Johnsbury, Vt., has been engaged as choirmaster and organist of St. Alban's Church, on the Tenleytown Road. Mr. Webster, while at St. Johnsbury, studied music under St. Frederick Smith, of St. John's Church, Georgetown.

"DIVIDED AGAINST ITSELF."

A delegation of McKeesport, Pa., citizens called yesterday on Mr. Taylor, Assistant Secretary of the Treasury, in the interest of the selection of a site for the public building in that city. There appear to be two factions in the town working for different locations. Politics, it is said, has entered to some extent into this agitation.

MR. BILLHEIMER HOME.

The Rev. Stanley Billheimer, pastor of the West Washington Lutheran Church, has arrived home from Hagerstown, where for the past week he has been attending the meetings of the synod of the Lutheran Church. Mr. Billheimer was elected secretary of the synod.

PRESIDENT UNABLE TO ATTEND CELEBRATION

Declines Invitation to Opening of Training School.

Pressure of public business and engagements far in advance caused President Roosevelt to decline a local invitation extended to him yesterday.

Gen. H. V. Boynton and Dr. Richard Kingsman, of the Board of Education, called at the temporary White House yesterday to invite the President to attend the opening of the McKinley Manual Training School, at Rhode Island Avenue and Seventh Street. No date has been fixed for the ceremony, as it was intended to arrange a time convenient to the President. As he cannot attend, the ceremonies will probably take place in a week or ten days.

General Boynton left last night for Columbus, Ohio, to inspect the designs submitted for a \$20,000 monument to be erected for the State of Ohio to the soldiers of that Commonwealth who fought on the Chattanooga plain in the civil war.

The monument will be located at the north end of the ridge, near one of the steel observation towers. It will be about a mile north of the Illinois monument, which is one of the handsomest on the ridge.

MRS. WARD'S "ELEANOR" APPALLINGLY SERIOUS

Third and Fourth Acts Must Be Remodeled—Well Acted and Applauded.

LONDON, Oct. 30.—Mrs. Humphrey Ward's dramatization of "Eleanor" was produced for the first time at the Court Theatre this afternoon. It is an almost appallingly serious play. It compels interest and attention for two acts, but its somberness becomes heaviness in the third and fourth acts, which must be remodeled to make the work acceptable. It was excellently acted. Elizabeth Robins, Marion Terry, and Lillian Balthazart were especially successful. The audience cordially greeted the authors at the close.

UNITED WORKMEN HOLD JOINT CELEBRATION

Local Lodges Unite in Celebration With That of Alexandria—Speakers Present.

Members of the three local lodges of the Ancient Order of United Workmen and members of the Alexandria lodge joined last night in a celebration of the thirty-third anniversary of the founding of the order.

The celebration was held in the Workmen's Hall, at Fifth and G Streets northwest. Speeches were made by Past Supreme Master Foreman of the United States J. W. Kingsley, Ferdinand Breslau, C. H. Turner, Abram Frey, of the grand lodge, and Grand Foreman J. Ward Wilson, of Maryland. The musical entertainment of the evening was furnished by the members of Senate Lodge. At the conclusion of the speechmaking refreshments were served.

A movement has been begun by the United Workmen of Maryland, Virginia and the District of Columbia to materially increase the membership. Abram Frey, of Washington, is at the head of the promotion committee. There are three lodges in this city—Senate, National and Columbia.

A Possible Reason.

Perhaps the reason why fools rush in where angels fear to tread is that angels do not usually wear hob-nailed shoes.

DUTTON ANNOUNCES CHANGE OF PROGRAM

New Feature for Police and Firemen's Parade.

R. W. Dutton, Chief Engineer of the Fire Department, announced yesterday some changes in the closing feature of the police and firemen's parade.

Heretofore it has been the custom to give an exhibition run of an engine and truck, as they usually respond to an alarm of fire. This year an engine and hose carriage will make the run past the reviewing stand. There will then be a laying out of hose, connections, and an exhibition of throwing streams of water by engine and water tower.

The reviewing stand will be erected in front of the White House, as in former years. The run of the engine and hose cart will be to the water plugs on Madison Place, and they will there connect, the hose being laid past the reviewing stand.

A feature of the exhibition will be the raising of ladders and the use of the life net by one of the truck companies. Chief Dutton stated that he thought these departures from the set programs of former years would prove interesting to the spectators.
